

San Marcos Growers

In-house Sales and Customer Service Representative

Are you interested in horticulture and great plants? Do you work well with others and with customers? If so, San Marcos Growers has a position that may be perfect for you!

San Marcos Growers is a wholesale nursery established in 1979 in Santa Barbara, California. We grow a wide range of plants suitable to our Mediterranean climate and sell these plants to nurseries and landscape professionals throughout much of California.

We are looking for a full-time sales and customer service representative to work onsite with our in-house sales team under the direction of the sales manager, to provide in person and telephone customer service. Applicants would need some ornamental plant knowledge, good people skills, basic computer data entry skills and the physical ability to lift and carry 25 lbs. or more. Bi-lingual (Spanish/English) applicants preferred.

Compensation

Wages commensurate with experience

Benefits after 90 days include:

- Medical and life insurance
- Paid holidays, birthday and vacations
- Company 401(k) plan

Apply by sending a resume to SalesSMG@smgrowers.com. Please include a cover letter telling us about your plant knowledge and your wage expectations.
