Project State Location*:

Description of research, mark all that apply with an "X"

Category

- Crop Production
- Marketing/Consumerism
- Pest Management
- Post-production Practices
- Production/Efficiency
- Resource Management
- Water

Benefits

- Consumer
- Grower
- Hort. Distributor
- Landscape
- Retail

Issues

- Altered Cultural Practices
- Animal Control
- Biological Control
- Business Management
- Chemical Application Technology
- Consumer Preferences
- Consumer Statistics & Analysis
- Environmental Stress Management
- Genetic and Induced Resistance
- Genetic Enhancement of Microbes
- Integrated Pest Management
- Labor
- Market Analysis (Domestic)
- Market Analysis (Export)
- Mechanization (including robotics)
- Media Management
- New Chemicals
- Nutrient Management
- Operating Cost Study
- People/Plant Interactions
- Physiological Acclimation
- Post-production Stress Reduction
- Process-Re-Engineering
- Propagation Technologies

- Shoot/Root Physiology
- Site management
- Soil Amendments
- Transportation Methods
- Water Additives
- Water Allocation Regulation/Law
- Water Management
- Water Use for Ornamental Plants
- Weed Control
- Other _____

***Proposals from researchers located outside of California must also list a co-researcher based in California AND include a letter of commitment from that person that clearly states his/her role in the project.**

California Association of Nurseries and Garden Centers

NOTE: Boxes can be expanded as needed to allow for adequate information

Date:

Project Title:

Significance and Objective: (What problem/opportunity will this research address, and how will results impact the nursery industry, with particular emphasis on California?)

Present Status: (What research has been done to date on the problem/opportunity?)

Research Methodology: (How will this research be conducted?) Include enough information for the reviewers to determine the scientific validity of the study.

Results Dissemination: (How will results be disseminated to the industry?)

Minimum CANGC Funding Needed: \$

Estimated Total Cost: \$

Maximum CANGC Funding Needed: \$

Estimated Completion Date:

BUDGET

Budget Period for year 2019

A dollar-for-dollar accounting will not be required.

	CANGC	Institutional Support	Total
1. Salaries	\$	\$	\$
Senior personnel			
Other personnel			
2. Fringe (where appropriate) _____ %	\$	\$	\$
3. Equipment (itemize if over \$500)	\$	\$	\$
4. Supplies	\$	\$	\$
5. Travel	\$	\$	\$
6. Other direct costs	\$	\$	\$
Total: \$			

Current and Pending Support

Instructions:

Provide information for all related research that is being considered by, or will be submitted in the near future to, other sponsors. Concurrent submissions of a proposal to other organizations will not prejudice its review.
